## Pattern for DROPS 196-28

### EXPLANATIONS FOR THE PATTERN:

-----

#### PATTERN:

See diagrams A.1 to A.4.

#### CROCHET INFORMATION:

On each round which begins with 1 treble crochet, start with 3 chain stitches (which replace the first treble crochet) and finish with 1 slip stitch in the 3rd chain stitch at the beginning of the round.

On each round which begins with 1 double treble crochet, start with 4 chain stitches (which replace the first double treble crochet) and finish with 1 slip stitch in the 4th chain stitch at the beginning of the round.

On each round which begins with 1 double crochet, start with 1 chain stitch (which replaces the first double crochet) and finish with 1 slip stitch in the first chain stitch at the beginning of the round.

#### STRIPES:

When the piece measures 5, 10, 20 and 36 cm from the middle (adjust so that the next round is a round without treble crochet groups) work the next round with dark grey. Cut and fasten the dark grey strand when the round is finished. Do not cut the olive strand, this is carried forwards on the wrong side, but make sure it is not tight.

-----

#### START THE PIECE HERE:

-----

### JACKET - SHORT OVERVIEW OF THE PIECE:

The back piece is worked first in the round from the middle outwards, in a square, then worked back and forth over each front piece. The sleeves are worked in the round top down and sewn onto the square.

### BACK PIECE:

The piece is worked in STRIPES – read description above.

Work A.1 with hook size 4 mm and olive. REMEMBER THE CROCHET TENSION!

When A.1 has been worked 1 time, repeat the last 2 rounds onwards with increases as before. Continue until the square measures 36-38-40-42-44-46 cm (i.e. 18-19-20-21-22-23 cm from the middle), adjust so that next round is a round as last round in diagram A.1 (i.e. a round with 1 double crochet in the middle of each side, so it is easier to divide for armhole). Now work the armholes as follows: Work over the first side as before (up to and including the first corner), work 48-52-55-59-62-62 chain stitches, skip the first half of the next side for sleeve, work the second half to the corner, the next side as before as far as the corner, work the first half of the last side as before, work 48-52-55-59-62-62 chain stitches, skip the last half of the last side for sleeve and work the last corner as before.

On the next round continue the pattern as before; around the chain stitches for the sleeves work pattern as before (i.e. you work the same number of repeats as you skipped, including the increase in the corner).

Continue in the round until the piece measures a total of 78-80-82-84-86-88 cm, adjust so that you finish with 1 round of double treble crochet groups (i.e. 39-40-41-42-43-44 cm from middle of square). Cut the strand.

### RIGHT FRONT PIECE:

Start in the middle of the first corner.

The first row is worked from the wrong side as follows: Work A.2b (i.e. 1 treble crochet + 2 chain stitches + 1 treble crochet are worked in the 4 chain stitches which replaced the first double treble crochet at the beginning of the previous round, 4 chain stitches, skip over first chain space, 1 double crochet around next chain space) – read CROCHET INFORMATION, then work pattern as before until there are 2 chain stitches left before the next corner, work A.2a over the corner (i.e. 4 chain stitches, 1 treble crochet + 2 chain stitches + 1 treble crochet are worked in the double treble crochet in the corner).

Continue this pattern back and forth (i.e. repeat the 4 rows in A.2). Work until the piece measures 61-63-65-67-69-71 cm from the middle of the square; adjust so that you finish with 1 row of double treble crochet groups. Cut and fasten the strand.

**LEFT FRONT PIECE:**

Work as for right front piece.

**SLEEVE:**

Work 97-104-111-118-125-125 chain stitches with hook size 4 mm and olive and form them into a ring with 1 slip stitch in the first chain stitch.

Work 4 chain stitches (= 1 double treble crochet), skip 1 chain stitch, 1 double treble crochet in each of the next 5 chain stitches, \* skip 1 chain stitch, work 1 double treble crochet in each of the next 6 chain stitches \*, work from \*-\* and finish with 1 slip stitch in the 4th chain stitch at the beginning of the round = 84-90-96-102-108-108 double treble crochets.

Then work pattern in the round as follows: Work A.3 (= 6 stitches) and repeat A.4 over the remaining stitches (= 13-14-15-16-17-17 times in width).

Continue this pattern.

When the sleeve measures 4 cm, adjust so that the next round is round 3 in A.3, decrease as follows:

Work 1 chain stitch, skip the first 4 chain stitches (= replaced the first double treble crochet on the previous round) and 2 double treble crochets on the previous round, continue the pattern as before until there are 3 chain stitches and 1 slip stitch left, skip 3 double treble crochets on the previous round and finish with 1 slip stitch in the first chain stitch (= 3 treble crochets decreased in each side = a total of 6 treble crochets decreased).

The next round is worked in the same way as round 2 (so that the chain-spaces continue and are displaced). Continue rounds 1 to 4 as before. Decrease like this every 10-8-8-7-7-7 cm a total of 5-6-6-7-7-7 times = 54-54-60-60-66-66 stitches (on 1 round of double treble crochets).

When the sleeve measures approx. 53 cm (adjust so that you finish with 1 round of chain stitches and double crochets) cut and fasten the strand.

Work 1 more sleeve in the same way.

**ASSEMBLY:**

Sew the sleeves to the square with olive, in the outermost loop of the outermost stitch.
