## Pattern for DROPS Extra 0-888

### CROCHET INFO:

Start every row with sc with 1 ch.

### CROCHET 2 STS TOG:

Crochet the first st but wait with last YO and pull through, crochet next st and at last pull through now pull yarn through all 3 loops on hook.

### CUFF

Worked sideways.

With 1 strand dark gray Eskimo ch 13 loosely. Work 1 sc in 2nd ch from hook, then work 1 sc in every ch the entire row = 12 sc. Work back and forth with sc in the back loops of the sts for 10½-11-11½ inches. Fasten off.

### SLIPPER:

Worked top down, back and forth with the opening in the back of leg.

With 1 strand light gray Eskimo and 1 strand Alpaca Bouclé held together work 31-33-35 sc evenly along one side of cuff.

Continue to work as follows: \* ch 2, turn piece, work 1 dc in every st on row, ch 1, turn piece, work 1 sc in every st on row \*, repeat from \*-\*. AT THE SAME TIME when piece measures a total of 6 inches dec 2 sts on next row as follows: Work the first 2 sts tog - see explanation above - and at mid front work 2 sts tog = 29-31-33 sts on row.

Continue as before until piece measures 10-11-12 inches.

Now work the foot as follows – insert a marker in the middle st on row:

ROW 1: Work 1 sc in every st until st before mid st, 2 sc in next st, 1 ch (= middle st), skip next st, 2 sc in next st, 1 sc in each of the last sts, turn piece.

ROW 2: Work 1 sc in each of the first sts until the ch, work 7 dc in the middle ch (the 4th dc of the 7 dc is now the middle st) and 1 sc in each of the last sts, turn piece.

ROW 3: Work 1 sc in each of the next sts until st before mid st, work 2 sc in next st, 1 ch (= mid st), skip next st, work 2 sc in next st, 1 sc in each of the last sts, turn piece.

ROW 4: Work 1 sc in each st until mid st, 7 dc in ch and 1 sc in each of the last sts, turn piece.

Repeat 3rd and 4th row until piece measures approx. 9"-10"-11" measured in foot length - measure the piece is folded double.

Switch to 1 strand dark gray Eskimo and now measure piece from here.

\* Work 1 row with sc, finish row with 1 ch and turn piece \*, repeat from \*-\* until piece measures approx. 1½-1 ¾-2 inches. Work one more row where you work the first 2 and the last 2 sts tog. Fasten off.

#### ASSEMBLY:

Fold the boot double, sew tog under foot and up along back of leg leg. Sew edge to edge to avoid a chunky seam.

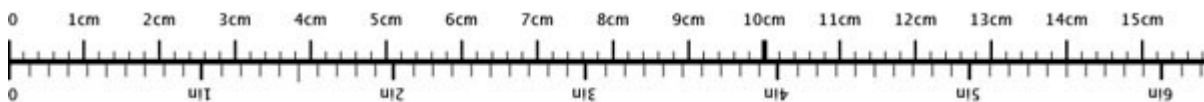

#### POM-POM TIES

Work a ch-row with dark gray Eskimo of approx. 60". Make small pompoms to fasten in each end - Tip: Before the second pompom is attached to the ch-row, pull the tie through a st at the bottom of leg in the back, in the transition between light gray and dark gray Eskimo, so it is fastened. Tie around the leg.

## Use me to measure your project!

To get the measurement tape to be 100 % accurate, you have to print out the pattern in full scale (and not use the print option "fit to page").

---

## Do you need help with this pattern?

You'll find 9 tutorial videos, a Comments/Questions area and more by visiting the pattern on [garnstudio.com](http://garnstudio.com). **Have you purchased DROPS yarn to make this pattern?** Then you are entitled to receive help from the store that sold you the yarn.

We take pride in providing patterns that are correct and easy to understand. All patterns are translated from Norwegian and you can always check the original pattern for measurements and calculations.

If we get a report of a potential error, we will review the pattern and make the correction if necessary. This will be done normally within 7 to 10 working days. If no correction is made, it means that we weren't able to find any error/mistake.
