## Pattern for DROPS 190-29

### INFORMATION FOR PATTERN:

#### CROCHET INFO:

At beginning of every row/round with double crochets replace first double crochet with 3 chain stitches. Finish row with 1 double crochet in 3rd chain stitch from previous row when piece is worked back and forth and finish round with 1 slip stitch in 3rd chain stitch from beginning of round when working in the round.

#### INCREASE TIP-1:

Increase 1 double crochet by working 2 double crochets in same stitch.

#### INCREASE TIP-2 (evenly):

To calculate how to increase evenly, use the total number of stitches on round (e.g. 212 stitches) and divide stitches by number of increases to be done (e.g. 40) = 5.3.

In this example increase by working 2 double crochets in approx. every 5th stitch.

#### PATTERN:

See diagrams A.1 to A.3.

-----

#### SKIRT:

Piece is worked back and forth, top down until vent in the side is done, then work in the round until finished measurements.

#### SKIRT:

Work 186-209-232-258-279-305 chain stitches (including 3 chain stitches to turn with) on hook size 3.5 mm/E/4 with Safran.

Work first row as follows: Work 1 double crochet in 4th chain stitch from hook, 1 double crochet in each of the next 4 chain stitches, \* skip 1 chain stitch, 1 double crochet in each of the next 6 chain stitches \*, work from \*-\* until 3-5-7-5-5-3 chain stitches remain, skip 1 chain stitch and finish with 1 double crochet in each of the last 2-4-6-4-4-2 chain stitches = 158-178-198-220-238-260 double crochets.

Then work back and forth with 1 double crochet in every double crochet - read CROCHET INFO and REMEMBER CROCHET GAUGE.

When 5 rows have been worked vertically, insert 6 markers in the piece as follows: Insert first marker after the first 14-14-16-20-21-22 double crochet, then insert the next 5 markers

26-30-33-36-39-43 double crochets apart. After last marker 14-14-17-20-22-23 double crochets remain on row.

On next row increase 1 double crochet before all markers – read INCREASE TIP-1! Increase like this every other row 9-9-10-11-12-13 times in total - NOTE: Increase alternately before and after markers = 212-232-258-286-310-338 double crochets. AT THE SAME TIME when 12 rows in total have been worked vertically, vent in the side is finished. Now work piece in the round, begin round in the side - remember CROCHET INFO!

When piece measures 25-26-27-28-29-30 cm / 9¾"-10¼"-10 5/8"-11"-11 3/8"-11¾", increase 40-44-30-26-26-34 double crochets evenly - read INCREASE TIP-2 = 252-276-288-312-336-372 double crochets.

Work A.1 in the round (= 21-23-24-26-28-31 repetitions of 12 stitches). AT THE SAME TIME on last round in A.1 increase 52-60-64-72-64-60 double crochets evenly = 304-336-352-384-400-432 double crochets.

Work A.2 in the round (= 19-21-22-24-25-27 repetitions of 16 stitches).

When entire A.2 has been worked, there are 475-525-550-600-625-675 double crochets on round. Now work A.X as shown in A.1 (= 2 rounds). AT THE SAME TIME on last round increase 30-28-39-25-36-34 double crochets evenly = 505-553-589-625-661-709 double crochets.

Work next round as follows: A.3A (= 6 stitches), work A.3B over the next

492-540-576-612-648-696 double crochets (= 41-45-48-51-54-58 repetitions of 12 stitches) and finish with A.3C (= 7 stitches). When A.3 is done, fasten off. Skirt measures approx.

56-57-58-59-60-61 cm from waist and down.

#### BUTTONHOLE LOOPS:

Along the side with vent that belongs to front piece work buttonhole loops as follows (begin from wrong side at the top of waist at the vent): Work 2 single crochets around first double crochet, 3 chain stitches, skip 1 double crochet, \* work 2 single crochets around each of the next 2 double crochets, 3 chain stitches, skip 1 double crochet \*, work from \*-\* 3 times in total and finish with 2 single crochets in last double crochets at the bottom of vent. Turn and work as follows from right side: Work 1 single crochet in every single crochet and 3 single crochets around every chain space. Fasten off.

#### BUTTON FOLDING EDGE:

Along the other side of the vent work 5 rows with single crochets back and forth (on 1st row work 2 single crochets around every double crochet = 24 single crochets). Fasten off. Sew the buttons on to the button folding edge.

#### EDGE:

Work an edge at top of waist on skirt as follows: Begin from right side with 1 slip stitch in outermost stitch at the vent, work 1 chain stitch, \* 1 chain stitch, skip 1 chain stitch, 1 single crochet in next chain stitch \*, work from \*-\* along the entire edge at the top of skirt. Fasten

off.
