## Lotus Circular Throw

5.5 mm hook

Worsted weight yarns  
of various colors

Skill Level:  
Intermediate

*Gauge is not critical*

**Notes: This throw was designed to be an elegant way to use up lonely skeins from the ol' stash – so color changes and therefore amounts of yarn needed are variable.**

**This pattern is also suitable for a crocheted doily rug when worked in a heavier yarn or cordage! For rug recommendations, visit my blog at**
