Explanation of changes and other important information

We will automatically calculate your goods and services tax/harmonized sales tax credit and any related provincial credit based on your family net income, province of residence, marital status, and qualified children. If you qualify for any credit for July 2017 to June 2018, we will let you know in July.

As of the date of this notice, you have unused net capital losses from other years of \$2,239. You can use your unused net capital losses to reduce taxable capital gains that you report this year. If you apply this amount to another year, you may have to recalculate your unused balance. This is because of the different capital gains rates for those years. For more information, see Guide T4037, *Capital Gains*.

We will let you know in July if you qualify for the Ontario energy and property tax credit for July 2017 to June 2018. This credit is part of the Ontario trillium benefit.
