## Explanation of changes and other important information

We changed your return based on the information you gave us through our online request service.

Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

Since your working income has changed, we changed your working income tax benefit to **\$23.90**.
