Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

We changed your working income tax benefit to \$61.05 as a result of a change to your adjusted family net income.
