Explanation of changes and other important information

As of the date of this notice, you have unused net capital losses from other years of **\$2,239**. You can use your unused net capital losses to reduce taxable capital gains that you report this year. If you apply this amount to another year, you may have to recalculate your unused balance. This is because of the different capital gains rates for those years. For more information, see Guide T4037, Capital Gains.

Based on our records, you have unused tuition and education amounts from prior years. You can carry forward a federal amount of **\$6,332** and a provincial or territorial amount of **\$5,451** to later tax years. To make sure we calculate your unused amounts correctly, you need to file a return each year, even if you have no income to report.

If you have any questions about your assessment, please call our Individual Tax and Enquiries line at **1-800-959-8281**.
