Diversity and Inclusion

As one of Canada's Top 100 Employers, we offer you a superior work environment that allows you to reach your full potential both professionally and personally. We make career growth and professional development a priority. We are committed to developing inclusive, barrier-free recruitment and selection processes, and a work environment that supports our diverse workforce.

Let our team know if you need accommodation or support during the recruitment process due to a disability or other reason. We can provide support in multiple ways, from using this site and submitting your application, right through to the interview process. If you are the successful candidate, you can also discuss accommodation needs when you receive your offer.

Contact accessiblecareers@bankofcanada.ca to discuss how.

Student - Web development

Take a central role

The Bank of Canada has a vision to be “a leading central bank—dynamic, engaged and trusted

—committed to a better Canada.” No other employer in the country offers you the unique opportunity to work at the very center of Canada’s economy, in a diverse and inclusive organization with significant impact on the economic and financial well-being of all Canadians. You will be challenged, energized and motivated to excel in an environment where we are reinventing central banking, renewing ways of doing business and reinforcing a culture of innovation.

What you will do

You will be developing for the many sites that power the Bank of Canada’s web presence, including bankofcanada.ca, design.bankofcanada.ca and bankofcanadamuseum.ca. You will have the opportunity to work on several different projects with a variety of people. If you are considering a career in web development, communications or information design, this placement is perfect for you.

In addition, you will:

As a Web Developer you will participate in agile projects; identify, recommend and implement innovative ways of doing business; and write custom plug-ins to support the Bank of Canada’s web presence needs. You will also contribute to open-source web projects, create online tools and website features, document your code, and conduct quality-assurance testing of web pages and functions.

What you need to succeed

- a strong understanding of the web, including HTML, JS and CSS
- proficiency with the LAMP/WAMP stack
- knowledge of typography and design basics, with the ability to create simple and usable interfaces
- great communication skills: we’re an agile team, so frequent and clear communication is a must
- self-driven work ethic: you need to be a self-starter who loves taking initiative and seeing things through to completion
- curiosity and the desire to learn: our business is changing and growing fast
- flexibility is key: who knows what skills will solve the issues of tomorrow?

Nice-to-have

- experience building WordPress themes and plug-ins
- experience running and developing on open-source platforms such as Linux
- basic design/typography/UX skills
- experience with automated testing
- experience with code versioning (GIT, SVN)

Your education and experience

You must be currently enrolled in a university or college program in a computer science or engineering related field.

What you need to know

- Language requirement: English or French essential
- Priority will be given to Canadian citizens and permanent residents
- Security level required: Reliability
- You will work remotely from any location within Canada while the Bank operates under mandatory telework. Flexibility for remote work for the duration of the term may be granted.
- There will be no relocation assistance provided
- Please save a copy of the job poster. Once the closing date has passed, it will no longer be available.
- In response to the COVID-19 pandemic and further to public health guidelines, preventative measures are being taken to ensure health and safety during the recruitment process. All interviews are conducted via Skype.

We wish to thank all applicants for their interest and effort in applying for this position. Only candidates selected for interviews will be contacted.

What you can expect from us

This is a great opportunity to join a leading organization and be part of a high-performing team.

- Salary \$22.89 hourly (job grade Student C)

We strive to make our policies, programs and workplace more inclusive, respectful and barrier-free. We encourage applications from women, Indigenous peoples, veterans, persons with disabilities, members of visible minorities and persons of all races, ethnic origins, religions, abilities, sexual orientations, and gender identities and expressions. #LI-POST
