

Powdered Laundry Detergent

Saturday, May 02, 2020 4:25 PM

Ingredients

- 1 part Soap Flakes
- 2 parts Washing Soda
- 2 parts Borax
- Optional: 10-20 drops Essential Oil

Instructions

1. Use measuring scoop to measure "parts"
2. Grate soap bar
3. Add (measured) soap flakes to jar
4. Store remaining flakes
5. Use mortar and pestle to pulverize any clumps of washing soda or borax
6. Add borax and washing soda to jar
7. Shake jar well to combine

Equipment

- Large jar (ideally from a spent candle)
- 2 Tablespoon Measuring Scoop
- Grater for soap
- Mortar and pestle

Notes

Store measuring scoop in jar with detergent
Use somewhere between half and one scoop per load of laundry
Add detergent to machine before adding laundry
