

Babylon

D

Friday night I'm going nowhere

G D D G

All the lights are changing green to red

D

Turning over TV stations

G D D G

Situations running through my head

D

Looking back through time

G

You know it's clear that I've been blind

D D G

I've been a fool

D

To open up my heart

G

D

G

To all that jealousy, that

bitterness, that ridicule

"du du duh" effect of the bass

Saturday I'm running wild

And all the lights are changing red to green

Moving through the crowd I'm pushing

Chemicals all rushing in my bloodstream

Only wish that you were here

You know I'm seeing it so clear

I've been afraid

To show you how I really feel

Admit to some of those bad mistakes I've made

D

A

If you want it

Em

Come and get it

A D

Crying out loud

A

The love that I was

Em

Giving you was

G D

Never in doubt

A

Let go of your heart

Em

Let go of your head

A D

And feel it now

A

Let go of your heart

Em

Let go of your head

G

And feel it now

D G

Babylon,

D G

Babylon,

D G

Babylon

Sunday all the lights of London

Shining sky is fading red to blue

Kicking through the Autumn leaves

And wondering where it is you might be going to

Turning back for home

You know I'm feeling so alone

I can't believe

Climbing on the stair

I turn around to see you smiling there

In front of me
