

Takin' Care Of Business - BTO

**You get up every morning, From your 'larm clock's warning
Take the 8:15 into the city
There's a whistle up above, And people pushin', people shovin'
And the girls who try to look pretty
And if your train's on time, You can get to work by nine
And start your slaving job to get your pay
If you ever get annoyed, Look at me I'm self-employed
I love to work at nothing all day... And I'll be**

**Taking care of business (every day)
Taking care of business (every way)
I've been taking care of business (it's all mine)
Taking care of business and working overtime
Work out**

**If it were easy as fishin', You could be a musician
If you could make sounds loud or mellow
Get a second-hand guitar, Chances are you'll go far
If you get in with the right bunch of fellows
People see you having fun, Just a-lying in the sun
Tell them that you like it this way
It's the work that we avoid, And we're all self-employed
We love to work at nothing all day... And we be**

**Taking care of business (every day)
Taking care of business (every way)
We be been taking care of business (it's all mine)
Taking care of business and working overtime**

[Instrumental Interlude]

**Take good care of my business
When I'm away, every day
Whoooo**
